Ringside Crating

An exhibitor may set up ringside a crate for containing a dog if the dog must be left unattended while the exhibitor shows another entry, walks a performance course and so on; policy to be flexible to accommodate exhibitor needs. However, multiple crates, x-pens, mats, screens, tables and other dog equipment will not be allowed ringside and must be kept in the designated grooming / crating area.

If needed, some crates may need to be double-stacked in the unreserved or day crating area. Grooming area will be available for setup between 3:00pm and 6:00pm, Monday May 23th; and between 6:00am and 6:00pm Tuesday May 24th. **The Grooming area will not be available on Wednesday morning May 25th until the conclusion of the Obedience Trial.** However, the Service Center will be available for bathing and grooming during this time.

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. **Any mixture of Regular and Preferred classes is allowed.** Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, **then NO Double Q shall be earned toward either the MACH or PACH title.** The Double Q still requires that Standard Agility and Jumpers with Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

By entering these trials, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their Norwegian Elkhounds are familiar with and able to perform all obstacles safely. Except for dogs needing measurement, dogs are not required to be at the trial until their scheduled time of judging. The owner/handler of each dog is solely responsible for having it ready at ringside when the class is to be judged.

Regular Agility Classes (dogs MAY enter a higher jump height):

16 Inches — Dogs 18" and Under 24 Inches — Dogs Over 22"
20 Inches — Dogs 22" and Under 24C Inches — Dogs 22" or Under, at Owner's Discretion

- **Regular class dogs may NOT enter the 24-inch height division if 22" or under.**
- **Regular class dogs over 22" may NOT enter the 24Choice height division.**

Preferred Classes (preferred dogs may NOT enter a higher jump height):

12 Inches — Dogs 18" and Under / 16 Inches — Dogs 22" and Under / 20 Inches — Dogs Over 22"

Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score. **Fix and Go On is not pre-entered; rather, it occurs during the course of the run.**

AGILITY HIGH IN TRIAL AWARD

Guidelines and Rules

All Norwegian Elkhounds competing in the Standard agility classes, including all jump heights, shall be eligible for the NEAA Agility High in Trial Award. The award shall be based on the qualifying course run results from only the Standard agility classes.

A dog must have a Standard class qualifying score to be eligible for the NEAA Agility High in Trial Award.

Order of consideration for NEAA Agility High in Trial Award:

1. Dog/handler team(s) with a double qualify* (2Q's)
2. Dog/handler team(s) with a Standard qualifying score of 100
3. Dog/handler team(s) with a Standard qualifying score of less than 100

**Qualifying score at the same trial in both the Standard class and the Jumpers with Weaves class (double Q)*

At the end of the agility trial, first to be considered for NEAA Agility High in Trial shall be a dog/handler team(s) with a double qualify. A dog with a Double Q shall be weighted more than a dog with a single Standard qualifying score. If none, a dog/handler team(s) with a perfect Standard qualifying score of 100 shall be considered next. If none, a dog/handler team(s) with a Standard qualifying score of less than 100 shall be considered. Qualifying scores for AKC Standard and Jumpers with Weaves agility classes: Novice A&B, Open, and Excellent – 100 to 85 minimum; Masters – 100 minimum.

Within each Standard agility class, bonus points shall be awarded based on the level of difficulty. In all team situations, the resulting highest score wins NEAA Agility High In Trial.

Level of Difficulty Bonus Points:

30 points – Master/Excellent Qualifying Score	25 points Master/Excellent Preferred Qualifying Score
20 points – Open Qualifying Score	15 points Open Preferred Qualifying Score
10 points – Novice Qualifying Score	05 points Novice Preferred Qualifying Score

A scoring record for the NEAA Agility High In Trial Award shall be kept at the trial indicating the armband number of each competing dog, the dog's call name, Standard class level, Standard course time in seconds (SCT), actual Standard course running time in seconds (rounded down) for each competing dog, qualifying score in a Standard class, notation if a double Q was earned by a competing dog, and the final calculated score for NEAA Agility High In Trial. For example, if the SCT is 65 seconds and a dog runs the Standard course in 60.3 seconds, the difference would round down to 5 seconds.

Scoring Record Shall Include:

Armband Number	Standard Course Time
Call Name of Dog	Actual Time
Standard Class Level	Qualifying Standard Score
Bonus Points	Double Qualify (2Q's)
Calculated Score for HIT	

The score calculation for the NEAA Agility High in Trial Award shall be done for all competing dogs using qualifying scores in all of the agility classes and jump heights. To calculate the score, add the dog's Standard qualifying score, the difference in the Standard course time and a dog's actual Standard course running time, and the level of difficulty bonus points.

Acceptance of Entries

First received (entries accepted in order of receipt); 125 run limit for this trial. Agility classes will run indoors on artificial turf; electronic timing and rubberized contacts will be used. Agility entries **OPEN** at 8:00 am CST, Wednesday, March 09, 2022. Agility entries **CLOSE** at 6:00 pm CDT, Wednesday, May 04, 2022, at the Trial Secretary's office.

Jump Height Card

Owners are responsible for entering their dog in the proper jump height class. All dogs participating in these trials must have an AKC Jump Height Card or check the box on the entry form to place your dog on the Measuring List prior to running. It is the owner's responsibility to have a dog measured prior to running. Failure to do so will result in the cancellation of any qualifying score or award.

Change of Entry

As described in Chapter 1, Section 21 of the *AKC Regulations for Agility Trials*, a dog entered in a Novice A class, for which it is not eligible, may be moved to Novice B. In addition, if after closing AKC notification is received in writing that a dog is not eligible for a class as entered, the dog may be moved to the correct class. The request for a change of entry **MUST** be made at least 30 minutes prior to the start of the agility trial. If at an agility trial a VMO or Field Representative measures a dog into a height other than as entered, the entry may be changed from Regular to Preferred or vice versa as long as the dog has not run any classes that day. If the dog has already run, the change may be made for the next trial day(s). When requesting such a change of entry, an exhibitor must provide the Trial Secretary with the AKC Agility Measurement Form.

Ineligibility to Compete

Blind dogs, bitches in season, aggressive dogs, or dogs suffering from any deformity, injury or illness which may affect the dog's physical or mental performance are **not** eligible to compete. These agility trials are open to dogs 15 months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration or Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP).

Move-up Request

As per AKC regulations, a dog may move-up to the next level of competition as a result of earning an agility title after the closing date of these trials. A day-to-day move-up request, allowed for only dogs entered in these back-to-back agility trials, **MUST** be delivered in writing to the Trial Secretary no later than 15 minutes after the last run in the first trial. A move-up request **MUST** be made in writing by post-al mail or by email, providing the dog's name, owner's name, original class entered as well as new class requested, and accepted by the Trial Secretary, no later than 6:00 pm CDT on Monday, May 16, 2022; **NO** telephone or verbal requests will be accepted.

Refund of Entry Fees

Entry withdrawals after the closing date due to a change of judge will receive a full refund. Entry fees (less \$10.00 per class/per event) will be refunded to agility entrants for bitches in season after the closing date with a written veterinarian certification. A written refund request must be provided to the Trial Secretary at least 30 minutes prior to the start of agility judging.
