By signing the entry form, I (we) certify that the Junior Showman does not now, and will not at any time, act as an agent/handler for pay while continuing to compete in Junior Showmanship.

If this Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the owner?

Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. **Any mixture of Regular and Preferred classes is allowed.** Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, **then NO Double Q shall be earned toward either the MACH or PACH title.** The Double Q still requires that Standard Agility and Jumpers with Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

By entering these trials, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their Norwegian Elkhounds are familiar with and able to perform all obstacles safely. Except for dogs needing measurement, dogs are not required to be at the trial until their scheduled time of judging. The owner/handler of each dog is solely responsible for having it ready at ringside when the class is to be judged.

Regular Agility Classes (dogs MAY enter a higher jump height):

- | | |
|--------------------------------|---|
| 16 Inches — Dogs 18" and Under | 24 Inches — Dogs Over 22" |
| 20 Inches — Dogs 22" and Under | 24C Inches — Dogs 22" or Under, at Owner's Discretion |
- **Regular class dogs may NOT enter the 24-inch height division if 22" or under.**
 - **Regular class dogs over 22" may NOT enter the 24Choice height division.**

Preferred Classes (preferred dogs may NOT enter a higher jump height):

12 Inches — Dogs 18" and Under / 16 Inches — Dogs 22" and Under / 20 Inches — Dogs Over 22"

Entering For Exhibition Only (FEO)

Entering For Exhibition Only (FEO)

- * For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment.
- * FEO runs are treated as trial entries. The exhibitor must enter the class (es) prior to the closing date, pay class entry fees and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.
- * Changes are not allowed.
- * Dogs may be entered at any level (Novice, Open Excellent or Masters) in FAST, JWW, Standard or Premier classes. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.
- * Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.
- * The exhibitor must declare FEO in the ring prior to leading out to the scribe and the judge.
- * Course time for FEO in Time 2 Beat, JWW, Standard, Premier and ISC will be 45 seconds. FAST courses times for each class/height are as noted in the Regulations.
- * Effective July 1, 2024, the fault call scored for an FEO run shall be changed from Excused ("E") to Absent ("ABS"). Scribes should continue to write "FEO" on the scribe sheet; however, the Score Table shall now enter that run as an Absent run. In doing so, the Defeated Dogs report used by Breed Specialty clubs will no longer have FEO runs in their Number of Dogs Entered calculations nor will FEO runs affect calculations where Number of Dogs Competing are involved, such as calculating Premier Top 25% counts. This change is for all classes: Standard, Jumpers With Weaves, FAST, Time-2-Beat, Premier Standard, Premier Jumpers, ISC Agility, ISC Jumping, ACT and ACTJ.

Fix and Go On (FNG)

- Fix and Go On is not pre-entered; rather, it occurs during the course of the run.
- FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Acceptance of Entries

First received (entries accepted in order of receipt); 300 run limit for this trial. Agility classes will run indoors on artificial turf; electronic timing and rubberized contacts will be used. Agility entries **OPEN** at 8:00 am CT, Tuesday, April 1, 2025 for Norwegian Elkhounds and April 14th for all other breeds. Agility entries **CLOSE** at 6:00 pm CT, Wednesday, May 21, 2025, at the Trial Secretary's office.

Jump Height Card

Owners are responsible for entering their dog in the proper jump height class. All dogs participating in these trials must have an AKC Jump Height Card or check the box on the entry form to place your dog on the Measuring List prior to running. It is the owner's responsibility to have a dog measured prior to running. Failure to do so will result in the cancellation of any qualifying score or award.

Change of Entry

As described in Chapter 1, Section 21 of the *AKC Regulations for Agility Trials*, a dog entered in a Novice A class, for which it is not eligible, may be moved to Novice B. In addition, if after closing AKC notification is received in writing that a dog is not eligible for a class as entered, the dog may be moved to the correct class. The request for a change of entry **MUST** be made at least 30 minutes prior to the start of the agility trial. If at an agility trial a VMO or Field Representative measures a dog into a height other than as entered, the entry may be changed from Regular to Preferred or vice versa as long as the dog has not run any classes that day. If the dog has already run, the change may be made for the next trial day(s). When requesting such a change of entry, an exhibitor must provide the Trial Secretary with the AKC Agility Measurement Form.

Ineligibility to Compete

Blind dogs, bitches in season, aggressive dogs, or dogs suffering from any deformity, injury or illness which may affect the dog's physical or mental performance are **not** eligible to compete. These agility trials are open to dogs 15 months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration or Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP).

Move-up Request

As per AKC regulations, a dog may move-up to the next level of competition as a result of earning an agility title after the closing date of these trials. A day-to-day move-up request, allowed for only dogs entered in these back-to-back agility trials, **MUST** be delivered in writing to the Trial Secretary no later than 15 minutes after the last run in the first trial. A move-up request **MUST** be made in writing by postal mail or by email, providing the dog's name, owner's name, original class entered as well as new class requested, and accepted by the Trial Secretary, no later than 6:00 pm CT on **Monday, June 2, 2025**; NO telephone or verbal requests will be accepted.

Refund of Entry Fees

Entry withdrawals after the closing date due to a change of judge will receive a full refund. Entry fees (less \$10.00 per class/per event) will be refunded to agility entrants for bitches in season after the closing date with a written veterinarian certification. A written refund request must be provided to the Trial Secretary at least 30 minutes prior to the start of agility judging.

AGILITY HIGH IN TRIAL AWARD FOR NORWEGIAN ELKHOUNDS ONLY!

All Norwegian Elkhounds competing in the Standard agility classes, including all jump heights, shall be eligible for the NEAA Agility High in Trial Award. The award shall be based on the qualifying course run results from only the Standard agility classes.

A dog must have a Standard class qualifying score to be eligible for the NEAA Agility High in Trial Award.

Order of consideration for NEAA Agility High in Trial Award:

1. Dog/handler team(s) with a double qualify* (2Q's)
2. Dog/handler team(s) with a Standard qualifying score of 100
3. Dog/handler team(s) with a Standard qualifying score of less than 100

*Qualifying score at the same trial in both the Standard class and the Jumpers with Weaves class (double Q)

At the end of the agility trial, first to be considered for NEAA Agility High in Trial shall be a dog/handler team(s) with a double qualify. A dog with a Double Q shall be weighted more than a dog with a single Standard qualifying score. If none, a dog/handler team(s) with a perfect Standard qualifying score of 100 shall be considered next. If none, a dog/handler team(s) with a Standard qualifying score of less than 100 shall be considered. Qualifying scores for AKC Standard and Jumpers with Weaves agility classes: Novice A&B, Open, and Excellent – 100 to 85 minimum; Masters – 100 minimum.

Within each Standard agility class, bonus points shall be awarded based on the level of difficulty. In all team situations, the resulting highest *score wins NEAA Agility High In Trial*.

Level of Difficulty Bonus Points:

30 points – Master/Excellent Qualifying Score	25 points Master/Excellent Preferred Qualifying Score
20 points – Open Qualifying Score	15 points Open Preferred Qualifying Score
10 points – Novice Qualifying Score	05 points Novice Preferred Qualifying Score

A scoring record for the NEAA Agility High In Trial Award shall be kept at the trial indicating the armband number of each competing dog, the dog's call name, Standard class level, Standard course time in seconds (SCT), actual Standard course running time in seconds (rounded down) for each competing dog, qualifying score in a Standard class, notation if a double Q was earned by a competing dog, and the final calculated score for NEAA Agility High In Trial. For example, if the SCT is 65 seconds and a dog runs the Standard course in 60.3 seconds, the difference would round down to 5 seconds.

Scoring Record Shall Include:

Armband Number	Standard Course Time
Call Name of Dog	Actual Time
Standard Class Level	Qualifying Standard Score
Bonus Points	Double Qualify (2Q's)

The score calculation for the NEAA Agility High in Trial Award shall be done for all competing dogs using qualifying scores in all of the agility classes and jump heights. To calculate the score, add the dog's Standard qualifying score, the difference in the Standard course time and a dog's actual Standard course running time, and the level of difficulty bonus points.

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine Partners ProgramSM may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. If the Junior Handler is not the owner of the dog identified on the face of this form, what is the relationship of the Junior Handler to the Owner?

Teams winning High In Trial will be awarded a special Rosette.

STAGING AREA, HANDLER'S BRIEFING, AND WARM-UP INFORMATION

Staging Area will be out of view of search area(s). Staging area will include warm-up and waiting area, as well as posting of running order.

The **Handler's Briefing** will take place in view of the search area prior to the start of each class, after the hide(s) have been set and after the Demo Dog has run. In the Handler's Briefing the judge will explain if there's an off-leash option, number of hides, maximum height of hides and maximum time for the search. NO DOGS are to be present during the Handler's Briefing.

Warm-up area: the club shall designate a warm-up area. One labelled container per target odor being used in the trial on that day will be placed in the warm-up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so that others may be able to use the warm-up area.

SEARCH AREA AND RING CONDITIONS

Search Area Conditions. Searches may be indoors, on matted, carpeted, or tiled surfaces, or outdoors on grass, gravel, earth, concrete, or asphalt surfaces.

Search Area Sizes will be as required in the *Regulations for AKC Scent Work*

"WORK" ADDITIONAL SITE INFORMATION

Trial Site. It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments, and such visits may risk the host losing the opportunity to use the location in the future.

Possession of Odors and Training. Chapter 5. Section 35 of the Scent Work Regulations state "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area".

Spectator Area. Spectators are encouraged as allowed with the Covid protocol in effect at the time of the trial and by space limitations. Any person not handling a dog in the current class, or any person who has already completed their run in the class may choose to watch the search from the spectator area. Handlers may not watch other exhibitors from their class prior to their run except in the case of Handler Discrimination classes. No one outside the search area may assist the handler or disclose the location of the hide.

Crating information will be sent out in the welcome letter. Please refer to the premium list for the NEAA Specialty at www.NEAA.net for more information. The **NEAA** and **Purina Farms** will not be responsible for any lost or damaged items left at the show site.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

NOTICE TO SCENT WORK EXHIBITORS

SAFETY, BEHAVIOR and LIABILITY

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The NEAA and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The NEAA reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the NEAA or any official thereof.

Collars, Leashes and Harnesses. During searches, dogs must wear a properly fitted collar or harness approved by the judge. A wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

All dogs must be on leash at all times, and retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

REFUNDS

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee. Dogs pulled after closing because of injury or other medical condition are not eligible for a refund.

Bitches in season will be refunded the full entry fee minus a \$2.50 handling fee. Notification in writing must be given to the trial secretary no later than one half hour prior to the start of the first class of the day of the trial.

RINGSIDE

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. The Club has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

EXHIBITOR CHECK-IN: At check-in you will receive your armband number. Once the time and location for check-in is determined all exhibitors will be notified by email.

Exhibitors MUST check-in the day they are entered.

This club does not agree to arbitrate claims as set forth on the Official AKC entry form for this event.

Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations." Additionally, clubs should include any specific local or state health requirements, for example, proof of rabies vaccination.

Entry Form – CLASS ELIGIBILITY

The first level of an element is Novice A or B. Please make sure you enter it correctly.

From AKC Scent Work Regulations, Chap 2. Sec 2

Class Eligibility.

- Novice A Classes are open to dogs who have not completed any title for that particular element, who have not completed a comparable title with another organization, and whose handlers are neither Scent Work judges, nor have ever worked as professional detection dog handlers.
- Novice B Classes are open to all dogs.

Dogs that have previously earned the same or higher level AKC Scent Work titles may enter lower-level classes. Dogs are able to enter up to two (2) difficulty levels in each element, in each trial. If a dog is entered in more than two difficulty levels for a single element in a single trial, the score for the lowest level entered will be disallowed, regardless of whether the dog ran or qualified in all levels. Dogs may only enter classes for which they are eligible, according to the above guidelines. Dogs may only enter a class once in each event. A class is defined as a particular difficulty level within a particular element. For example, a dog may run in both Novice and Advanced Interior in the same trial but may not run in Novice Interior twice in the same trial.
