Class Changes Effective January 1, 2020

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend – Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. **Any mixture of Regular and Preferred classes is allowed.** Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, **then NO Double Q shall be earned toward either the MACH or PACH title.** The Double Q still requires that the Standard Agility and Jumpers with Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20 inch Master STD/JWW while also entered in 24c inch Premier STD/JWW on the same day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

By entering these trials, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their Norwegian Elkhounds are familiar with and able to perform all obstacles safely. Except for dogs needing measurement, dogs are not required to be at the trial until their scheduled time of judging. The owner/handler of each dog is solely responsible for having it ready at ringside when the class is to be judged.

Regular Agility Classes (dogs MAY enter a higher jump height):

- | | |
|--------------------------------|--|
| 16 Inches — Dogs 18" and Under | 24 Inches — Dogs Over 22" |
| 20 Inches — Dogs 22" and Under | 24C inches - Dogs 22" or Under, at Owners Discretion |
- **Regular class dogs may NOT enter the 24-inch height division if 22" or under.**
 - **Regular class dogs over 22" may NOT enter the 24Choice height division.**

Preferred Classes (preferred dogs may NOT enter a higher jump height):

- 12 Inches — Dogs 18" and Under / 16 Inches — Dogs 22" and Under / 20 Inches — Dogs Over 22"

Entering For Exhibition Only (FEO)

Entering For Exhibition Only (FEO)

For Exhibition Only may be offered at the option of the host club. FEO will allow exhibitors to work with their dogs in a trial environment.

FEO runs are treated as trial entries. The exhibitor must enter the class(es) prior to the closing date, pay class entry fees and the Trial Secretary must record the entry in the Trial Catalog as part of the results for that class. FEO does not need to be noted on the entry form; the handler will declare the day of the show.

Changes are not allowed.

Dogs may be entered at any level (Novice, Open, Excellent or Masters) in FAST, JWW, Standard or Premier classes. If entered in an ineligible jump height, the team is committed to FEO for that run and must declare FEO on the start line. Day of show jump height changes are not allowed.

Dogs may be entered in any level of FAST (Novice, Open, Excellent, Master). If the dog is not eligible for the level entered, the team is committed to FEO for that run and must declare FEO on the start line. Day of show level changes are not allowed.

The exhibitor must declare FEO in the ring prior to leading out to the scribe and the judge.

Course time for FEO in Time 2 Beat, JWW, Standard, Premier and ISC will be 45 seconds. FAST course times for each class/height are as noted in the Regulations.

Effective July 1, 2024, the fault call scored for an FEO run shall be changed from Excused ("E") to Absent ("ABS"). Scribes should continue to write "FEO" on the scribe sheet; however, the Score Table shall now enter that run as an Absent run. In doing so, the Defeated Dogs report used by Breed Specialty clubs will no longer have FEO runs in their Number of Dogs Entered calculations nor will FEO runs affect calculations where Number of Dogs Competing are involved, such as calculating Premier Top 25% counts. This change is for all classes: Standard, Jumpers With Weaves, FAST, Time-2-Beat, Premier Standard, Premier Jumpers, ISC Agility, ISC Jumping, ACT and ACTJ.

Fix and Go On (FNG)

- Fix and Go On is not pre-entered; rather, it occurs during the course of the run.
- FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Acceptance of Entries

First received (entries accepted in order of receipt); 300 run limit for this trial. Agility classes will run indoors on artificial turf; electronic timing and rubberized contacts will be used. Agility entries **OPEN** at 8:00 am CT, Tuesday, January 28th, 2026 for Norwegian Elkhounds and Feb 9th for all other breeds. Agility entries **CLOSE** at 6:00 pm CT, Wednesday, March 18th, 2026, at the Trial Secretary's office.

Jump Height Card

Owners are responsible for entering their dog in the proper jump height class. All dogs participating in these trials must have an AKC Jump Height Card or check the box on the entry form to place your dog on the Measuring List prior to running. It is the owner's responsibility to have a dog measured prior to running. Failure to do so will result in the cancellation of any qualifying score or award.

Change of Entry

As described in Chapter 1, Section 21 of the *AKC Regulations for Agility Trials*, a dog entered in a Novice A class, for which it is not eligible, may be moved to Novice B. In addition, if after closing AKC notification is received in writing that a dog is not eligible for a class as entered, the dog may be moved to the correct class. The request for a change of entry **MUST** be made at least **30** minutes prior to the start of the agility trial. If at an agility trial a VMO or Field Representative measures a dog into a height other than as entered, the entry may be changed from Regular to Preferred or vice versa as long as the dog has not run any classes that day. If the dog has already run, the change may be made for the next trial day(s). When requesting such a change of entry, an exhibitor must provide the Trial Secretary with the AKC Agility Measurement Form.

Ineligibility to Compete

Blind dogs, bitches in season, aggressive dogs, or dogs suffering from any deformity, injury or illness which may affect the dog's physical or mental performance are **not** eligible to compete. These agility trials are open to dogs 15 months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration or Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP).

Move-up Request

As per AKC regulations, a dog may move-up to the next level of competition as a result of earning an agility title after the closing date of these trials. ~~A day-to-day move-up request, allowed for only dogs entered in these back-to-back agility trials, MUST be delivered in writing to the Trial Secretary no later than 15 minutes after the last run in the first trial.~~ A move-up request **MUST** be made in writing by post-mail or by email, providing the dog's name, owner's name, original class entered as well as new class requested, and accepted by the Trial Secretary, no later than 6:00 pm CT on Wednesday, March 25th, 2026; NO telephone or verbal requests will be accepted.

Refund of Entry Fees

Entry withdrawals after the closing date due to a change of judge will receive a full refund. Entry fees (less \$10.00 per class/per event) will be refunded to agility entrants for bitches in season after the closing date with a written veterinarian certification. A written refund request must be provided to the Trial Secretary at least **30** minutes prior to the start of agility judging.

AGILITY HIGH IN TRIAL AWARDS FOR NORWEGIAN ELKHOUNDS ONLY

GUIDELINES AND RULES

All Norwegian Elkhounds competing in the Standard class and Jumpers with Weaves class; including all jump heights, are eligible for the NEAA High in Trial Awards. There will be two (2) High in Trial Awards - Regular height and Preferred height.

A dog must have a qualifying score from the Standard class or Jumpers with Weaves class to be eligible for a High in Trial award.

ORDER OF CONSIDERATION FOR REGULAR OR PREFERRED NEAA HIGH IN TRIAL AWARD:

1. Dog/handler team with a double Q (qualifying score in Std and JWW)
2. Dog/handler team with a qualifying score in Std or JWW of 100.
3. Dog/handler team with a qualifying score of less than 100 in Std or JWW.

Within each of the Regular classes (STD and JWW) bonus points will be awarded based on the level of difficulty. The point allocation remains consistent across both the Regular and Preferred Divisions. In all team situations, the resulting highest score, following the point system below, wins the Agility High in Trial award for their division.

Master/ Excellent – 30 Points

Open – 20 Points

Novice – 10 Points

A scoring record for the Agility HIT awards will be kept at the trial indicating the armband number for each dog, the dog's call name, class level (Master/Excellent, Open, Novice) and Division (Regular or Preferred), Course time for each class, actual course running time in seconds, score, notation if a double Q was earned, and the final calculated score for HIT.

Points are also awarded for under Standard course time (rounded down). For example, if the SCT for the Standard course is 65 seconds and the dog run the course in 60.3, the difference would round down to 60 seconds, and the dog would earn 5 bonus points in addition to their point for their level. These points would be used if multiple dog/handler teams are tied on qualifying scores.

Example:

Dog 1 MASTER LEVEL - Q in STD, SCT 65 sec, actual time 60.1, time points = 5 points
Q in JWW, SCT 45 sec, actual time 42.4, time points = 3 points
Total Score: STD 35 points (30 + 5) / JWW 33 points (30 + 3)
TOTAL Score - 68

Dog 2 MASTER LEVEL - Q in STD, SCT 65 sec, actual time 58.3, time points = 7 points
Q in JWW, SCT 45 sec, actual time 40.1, time points = 5 points
Total Score: STD 37 points (30 + 7) / JWW 35 points (30 + 5)
TOTAL Score - 72

Dog 2 would win HIGH IN TRIAL for the level entered (Regular or Preferred)

INSTRUCTIONS

Handlers whose dogs measure into the 8" through 20" regular jump height divisions may opt to enter in a higher or 24-choice height division for all Regular titling classes, but not in a division lower than their proper height division. Dogs who measure into the 24" regular jump height division may not enter 24-choice. Dogs entered in the Preferred classes must compete at the required jump height and may not compete in a jump height division higher or lower than their proper height division.

All dogs that have not been officially measured for an Agility Jump Height Card may still compete; however, they must be measured by a Judge of record, an Agility Field Representative, or a Volunteer Measuring Official, prior to running. If measured by the Judge of record, that measurement will be valid for this trial or back-to-back trials only. If a measurement is necessary, it is the exhibitor's responsibility to have their dog(s) measured prior to running.

Dogs listed in the AKC Canine Partners ProgramSM may be eligible to enter all-breed AKC agility trials at the club's option. These dogs should be listed as All American Dog and must include their AKC number on the entry form and check the AKC No. box.

Junior Handlers should enter their Junior Handler number on the front of this form. Should you not have your Junior Handler number, it may be obtained from the American Kennel Club (919) 233-9767. Warm-up area: the club shall designate a warm-up area. One labeled container per target odor being used in the trial on that day will be placed in the warm-up area. This will allow handler-dog teams to prepare themselves for the search prior to their run. Each team should limit their warm-up to two minutes or less so that others may be able to use the warm-up area.

SEARCH AREA AND RING CONDITIONS

Search Area Conditions. Searches may be indoors, on matted, carpeted, or tiled surfaces, or outdoors on grass, gravel, earth, concrete, or asphalt surfaces.

"Search Area Sizes will be as required in the Regulations for AKC Scent Work"

"WORK" ADDITIONAL SITE INFORMATION

Trial Site. It is not appropriate to scout the trial location prior to the trial date. Many search locations are real-life environments, and such visits may risk the host losing the opportunity to use the location in the future.

Possession of Odors and Training. Chapter 5, Section 35 of the Scent Work Regulations state "No person other than those engaged in the administration of a trial shall be in possession of any target odor when on the trial grounds. There shall be no training on the grounds of the AKC Scent Work trial, other than the designated warm-up area".

Spectator Area. Spectators are encouraged as allowed with the Covid protocol in effect at the time of the trial and by space limitations. Any person not handling a dog in the current class, or any person who has already completed their run in the class may choose to watch the search from the spectator area. Handlers may not watch other exhibitors from their class prior to their run except in the case of Handler Discrimination classes. No one outside the search area may assist the handler or disclose the location of the hide.

Crating information will be sent out in the welcome letter. Please refer to the premium list for the NEAA Specialty at www.NEAA.net for more information. The NEAA and Purina Farms will not be responsible for any lost or damaged items left at the show site.

Exhibitors are responsible for cleaning up after their dog(s). Any exhibitor failing to do so may be excused without benefit of refund if the Event Committee deems the exhibitor to be in violation of this requirement. Cleaning supplies and disposal sites will be available at various locations around the show grounds.

NOTICE TO SCENT WORK EXHIBITORS

SAFETY, BEHAVIOR and LIABILITY

The **safety of the dog** is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all searches safely. **It is expressly understood** that exhibitors alone are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create an unnecessary disturbance or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the trial committee, be asked to leave the show site. In such case, no refund of any fees paid will be made. The NEAA and its agents, employees, etc., will assume no responsibilities for any loss, damage or injury sustained by exhibitors or handlers, or to any of their dogs or property and further assumes no responsibility for injury to children. The NEAA reserves the right to decline entries for cause and may remove any dog on account of aggression. No one shall have any recourse or claim against the NEAA or any official thereof.

Collars, Leashes and Harnesses. During searches, dogs must wear a properly fitted collar or harness approved by the judge. A wearable camera such as a Go Pro may be mounted to the dog's harness, if desired. Leashes may be of any length and/or retractable. The leash should be made of plain, pliable material.

All dogs must be on leash at all times, and retractable leashes may not be used when on trial grounds (except during judged searches). Dogs must enter and exit the search area with the leash attached to the collar or harness, including when waiting in the search area before and after the search. An off-leash option may be offered at the discretion of the judge, only if the area is completely enclosed.

REFUNDS

No entry fee will be refunded if the trial cannot open or be completed by reason of riots, civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee. No entry fee will be refunded in the event a dog is absent, disqualified, excused, or barred from competition by the action of the Trial Committee. Dogs pulled after closing because of injury or other medical condition are not eligible for a refund.

Bitches in season will be refunded the full entry fee (**less \$10.00 per element/event**) handling fee. Notification in writing must be given to the trial secretary no later than one half hour prior to the start of the first class of the day of the trial.

RINGSIDE

Judges are not required to wait for dogs. The Owner of each dog is solely responsible for having it ready at the search area when it is to be judged. The Club has no responsibility to provide service through a public address system or stewards or runners for the purpose of calling or locating dogs that are not brought into the ring when required.

EXHIBITOR CHECK-IN: Once the trial is closed you will receive your armband number and the time and location for check-in all exhibitors will be notified by email.

Exhibitors MUST check-in the day they are entered.

This club does not agree to arbitrate claims as set forth on the Official AKC entry form for this event.

Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations." Additionally, NEAA will include any specific local or state health requirements, for example, proof of rabies vaccination.

Entry Form – CLASS ELIGIBILITY

The first level of an element is Novice A or B. Please make sure you enter it correctly.

From AKC Scent Work Regulations, Chap 2. Sec 2

Class Eligibility.

- Novice A Classes are open to dogs who have not completed any title for that particular element, who have not completed a comparable title with another organization, and whose handlers are neither Scent Work judges, nor have ever worked as professional detection dog handlers.
- Novice B Classes are open to all dogs.

Dogs that have previously earned the same or higher level AKC Scent Work titles may enter lower-level elements. Dogs are able to enter up to two (2) difficulty levels in each element, in each trial. If a dog is entered in more than two difficulty levels for a single element in a single trial, the score for the lowest level entered will be disallowed, regardless of whether the dog ran or qualified in all levels. Dogs may only enter element levels for which they are eligible, according to the above guidelines. Dogs may only enter an element once in each event.

For example, a dog may run in both Novice and Advanced Interior in the same trial but may not run in Novice Interior twice in the same trial.

Dogs in Vehicles/Crates:

The Club reserves the right to remove any dog that appears, in the opinion of any member of the Event Committee, to be in distress in a parked vehicle or in a crate.

Fast CAT Test (FCAT)

Fast CAT is an outdoor pass/fail test that consists of a 100-yard dash using a straight course or track. Dogs run singly and are required to reach the finish line. The dog's time to complete the course is converted into MPH and then to points based on height by using a handicap. The system is based on the dog's height at its withers:

18" or greater = handicap is 1.0

12" up to less than 18" = handicap is 1.5

Below 12" = handicap is 2.0

Conversion of Time to MPH is rounded to the nearest hundredth of a mile: $204.545/\text{dog's time} = \text{MPH}$ Points Timing will be done electronically, using break the beam equipment. The dog's time to complete the course is recorded to the nearest 1/100th of a second. (Example: 9.11 seconds)

Conversion of time to MPH is rounded to the nearest hundredth of a mile: $204.545/\text{dog's time} = \text{MPH}$ Points are earned by the dog's MPH multiplied by the dog's handicap.

A dog that relieves itself on course shall fail the test.

Handlers may not travel down the 100 yard course with the dog or just prior to the dog being released for its run; this includes inside and outside the fence

Handlers may not fun with the dog in the starting box.

Handlers may run within the catch area as their dog is running the course but may not cross the finish line.

Handlers must remain at either the start or the end of the course.

Cheering, clapping, calling your dog's name, whistling, and waving your arms from the end of the course or the start area is allowed. Noise making devices such as whistles, duck calls, electronic calls or other items of this nature are not permitted.

The use of toys, treats, flags or other items of this nature are not permitted while the dog is running the 100-yard course, however they may be used after the dog has crossed the finish line to assist in catching the dog.

Dogs must be caught at the completion of the course and cannot be recalled by their handler at the start line. Should a situation arise where the application of this Regulation is open for interpretation, the event committee shall decide how it will be handled.

It is safest for dogs to run "naked" which means they do not wear a collar. However, dogs may wear any collar except a choker collar, a collar with prongs, or an electronic training collar. The collar should be snug to minimize the changes of getting hung up on something during the run.

No tags or other objects can be attached to the collar unless they are taped up out of the way.

No flexi-leads are allowed to be used anywhere near the run area.

Owners may use clips or rubber bands to hold the dog's hair.

The owner assumes responsibility for the safety of the dog regarding the dog's collar and paraphernalia on the dog.

FACILITIES:

A Port-a-john is available on site, or you can use the restrooms in the Event Center Building.

Please plan on bringing what you need to keep yourself and dog comfortable – water, shade, fans.

Please plan on picking up after yourself and your dog.

Owners/handlers must clean up after their dogs and themselves. NO EXCEPTIONS!

Trash containers will be available. These are rain-or-shine outdoor events.

Bitches in season may not enter.

Dogs that are physically challenged due to loss of limbs are eligible to enter and should be given the same consideration by the inspection committee as four-legged dogs.

For safety purposes, any dog requiring an assistance apparatus, such as a wheeled cart will not be allowed to participate

A dog may enter only once per event (test).

ROLL CALL & INSPECTION:

- AKC rules require an inspection prior to running to evaluate if the dog is injured or in heat.
- Any dog that cannot be examined by the inspection committee will be excused and a refund of the entry fee will not be issued.
- No wrappings or blankets can be on the dog when being inspected.
- The inspection committee has the right to decline a dog if they feel it is too overweight or unfit to compete.
- If you notice that your dog is limping or showing signs of distress at the event, you should not run them. If a dog shows injury at the event, and before running, entry refund will be refunded.

Inspection begins 15 minutes prior to the start of your assigned time slot. There are 4 morning time slots (8, 9, 10 and 11 AM) and 3 time slots in the afternoon (1, 2 and 3 PM). Early acceptance of dogs for members of the field committee may begin one-half hour prior to published test hours. The club will take a lunch break between morning and afternoon sessions.

Being inspected satisfies roll call. Dogs not present at the time of inspection will be scratched.

PLEASE PROVIDE YOUR DOG'S HANDICAP WITH YOUR ENTRIES. If you aren't sure how tall your dog is at the withers, we will measure your dog at inspection and assign a handicap.

Each entry will be inspected for lameness, fitness to participate and females in season. Inspection shall take place prior to any form of wrapping being applied to the dog. In the opinion of the inspection committee, any entry found to be lame, unfit to participate or a female in season shall not be allowed to enter and entry fees will be refunded in full; **females in season MUST be removed from the test site.**

Dogs that are physically challenged due to loss of limbs are eligible to enter and should be given the same consideration by the inspection committee as four-legged dogs. A dog that exhibits a state of well-being at the time of inspection, shows no signs of physical discomfort, and in the opinion of the inspection committee appears to physically have the potential to safely complete the course, is to be considered fit to participate.

PRE-COURSE BRIEFING:

Pre-course briefing and final time slot assignments will be emailed to all participants after the closing date. Club members will be on site to help answer any in person questions that may arise.

ALL DOGS RUN AT OWNERS SOLE RISK!

Running your dog:

Dogs will be assigned a one hour time slot. **If you enter both tests BOTH of your runs will occur during your assigned time slot.**

Please indicate what your preferred time slots are on your entry form. If a preference isn't noted, you will be assigned a time slot. Every effort will be made to meet your preference; your flexibility is appreciated. Multiple dog households will have dogs separated but can be in the same group.

We will work with you if you have a ring conflict, with agility.

Please contact the Chair, Cheryl Martin, if you anticipate missing your time slot. Text will be the quickest way to reach the Chair, her phone number is 970-396-1811.

Entries must be received by the Test Secretary by the entry deadline listed on the front cover of this premium.

The club and/or Test Secretary assume no responsibility for wrong or incomplete information given on the entry form.

The Club, workers and/or the Secretary assume no responsibility for the injury or a dog's failure to recall.

Dogs must be ready to run. Catchers must be ready for their dog and in the catch pen when their dog has moved to the start box. Club need wait for dogs or catchers that hold up the test.

At the discretion of the Chairman, there may be a \$5.00 fine assessed for any loose dog on the field not taking part in the course in progress.

Any person, upon reasonable complaint, may be asked to leave the grounds by the field committee.

Children must be under the control of their parent(s) or guardian at all times.

Only the lure operator, huntmaster, handlers of the course in progress will be permitted near the lure equipment.

No substitution of entries if the test(s) fill prior to the pre-entry deadline.

TIPS FOR HANDLERS

Please familiarize yourself with the rules and regulations for Fast CAT events. Regulations can be found on the AKC Website: [AKC Fast CAT Regulations](#).

Bring at least 2 collars and/or leashes (one set for releaser and one set for catcher).

You may either release your dog or catch your dog. Please plan on finding or bringing someone with you to help.

Handlers should wear comfortable, sturdy shoes (no sandals or flip flops) and be physically able to hold and release their dogs, as well as catch them.

Dogs will be brought to the start line on leash and released only upon a verbal signal ("Tally-Ho!") from the huntmaster. Dogs may be released by hand, folded leash, or traditional lure coursing lead.

Handlers are advised to warm up their dogs prior to their run and walk them for 10 minutes afterwards.

Coursing is a physically demanding sport and can tax a dog's physical strength. Dogs that are old, have breathing or heart problems, are overweight, or are out of condition may be a greater risk for injury and exhaustion. Consult your veterinarian if you have concerns.

Muzzles are not required but are permitted at the handler's discretion.

The Huntmaster

The Huntmaster is responsible for field safety and therefore they are in complete charge of all dogs and handlers on the field. In service to this responsibility, they have the authority to stop the lure in any potentially dangerous situation and signal the handler to retrieve the dog on the course. Listen to the Huntmaster and follow their instructions promptly and swiftly.

Aggressive Dogs

You are responsible for controlling your dog(s). If your dog(s) are not under control, you may be asked to leave the field. Any dog exhibiting aggression towards any person will be asked to leave immediately and a refund will not be issued. In this event, an aggressive dog form may be filled out and submitted to AKC.

Loose Dogs

There will be a \$5.00 fee assessed for any loose dog on the field that is not competing. Please respect the areas marked to be kept free of dogs. Please keep a hold of your dogs or put them up somewhere safe between runs. There is a lot of excitement with other dogs barking and the bunny running. As a courtesy to other entrants, a testing dog should have a reliable recall.

A penalty of \$5.00 may be assessed for any dog causing an excessive delay of the event if it cannot be recalled or retrieved in a timely manner.

If entries for Non-Elkhounds are received prior to Feb 9th they will be held until Feb 9th and then will be entered after any entries received on Feb 9th, in the order they were received

OVERNIGHT CAMPING GUIDELINES

- Campers* at Purina Farms must have a pre-reserved site in one of two designated RV lots – the Full-Service Lot behind the Purina Event Center or the Electric Only Main Show Field Lot – at Purina Farms. Sites can only be reserved for pull-behind trailers and motorhomes designed for overnight camping. Campers may not be parked in the regular vehicle parking lots.
- Sites 45-47 in the Electric Only Main Show Field Lot are authorized access only as determined by Purina Farms management.
- Unless otherwise noted, campers may begin arriving at 3pm on their check-in day for an event. Campers must vacate their sites by 6pm on their check-out day.
- Any campers arriving before their scheduled times (or those arriving without a reservation) may be placed in a holding lot by security or may be asked to leave if accommodations are unable to be made. Any campers placed in holding lots must vacate by 11 pm on the same day of arrival.
- Upon arrival at Purina Farms, campers must check-in with Purina Farms security at the front entrance gate to the property or call (636) 221-1428 to receive parking tags and camping information.
- Each camper will receive 3 parking tags good for one camper and 2 accompanying non-commercial vehicles (note that a tow vehicle would be considered one of the 2 accompanying vehicles). Accompanying vehicles may only be parked at the site when the site is occupied by the affiliated camper. The Full-Service Purina Event Center lot tags are red and the Electric Only Main Show Field Lot tags are yellow. Parking tags must be visible inside the vehicles at all times.
- A camper (only one camper unit per space), along with the 2 non-commercial vehicles, must fit within the size limits of each designated site. Campers and accompanying vehicles should not block roadways or they will be asked to move.
- If accompanying vehicles do not fit in the designated site, then they may be parked in the regular North parking lot in front of the building. Camper sizes must be accurately reported at the time of the reservation or risk being moved to a site more accommodating to the actual size of the camper.
- Quiet hours are between 11 pm and 6 am. Campers with reservations coming in after 11 pm will be directed to a holding lot by security so as not to disrupt other overnight guests.
- Purina Farms security regularly monitors the lots and is available on property 24/7.
- In case of a medical emergency in one of the lots, call Purina Farms security (see important contact numbers) or 911. A blue light emergency station is available on the South side of the Purina Event Center.
- Guests needing medical attention should leave their camper's lights on allowing the response team to easily identify the appropriate vehicle.
- Please notify a Purina Farms team member if you are having any difficulties with the hook-ups, including electric. Call security if you can't locate Purina Farms management.
- A camper **MUST** be checked on regularly if dogs are left unattended inside and there **MUST** be a reliable means to monitor the temperature in the vehicle. Purina reserves the right to remove any animals in distress from the vehicle.
- Other general items to note:

No parking on grass.

No tent camping.

Small group gatherings are acceptable in the RV lots not to exceed 10 guests. Parties are prohibited. Larger group gatherings require a contractual agreement for a rented space on property.

All dogs must remain on leash and supervised unless inside a vehicle or competing.

No pine shavings on any grass around the property.

Motorized vehicles, which includes golf carts, are not allowed except (i) when a medical condition or disability requires the use of one, or (ii) prior authorization is obtained from Purina Farms management and event organizers.

Propane and charcoal grilling are permitted in the lots. Guests should let the coals burn out overnight, bag them the next day and put them in a trash barrel.

Open fires, including fire pits, are not allowed on the property.

Free WiFi is provided under our "guest network" and no password is required. The expectation is that each camper will abide by acceptable use guidelines in order to continue to have access to this resource.

Any false or inaccurate information provided when booking a reservation will result in the reservation being null and void with no refunds given.

RV reservations are only accepted for those entered in an event that has contracted space which includes the overnight camping lots. Upon request, participants must be prepared to show proof of event entry upon arrival at Purina Farms.

All overnight camping questions should be directed to rvparking@purina.nestle.com or (866) 979-2488

Purina Farms reserves the right to ask any camper or accompanying vehicle occupant(s) without appropriate documentation, or those in violation of these guidelines, to leave the property. Unauthorized vehicles may be towed without further notice and at the owner's expense.

INCLEMENT WEATHER

In the event a severe weather or tornado warning is issued for the immediate area, Site Security will notify the Purina Farms management team. The team will notify guests of an impending weather event via the property-wide public address system. Public service announcements should also come via the storm siren and announcements. Guests will be asked to seek cover in designated areas marked as severe weather shelter areas inside the Purina Farms facilities (those in the outdoor event areas should seek cover in one of the indoor facilities on the property). Areas at the Purina Event Center include the Gateway Hall, restrooms, South stairwell and the Great Hall if necessary. At the Visitor Center, this includes the bathrooms, indoor theater and the hallway near the front information desk. After the weather event ends, Purina Farms management teams will announce all clear.

- If weather is extreme after-hours, then security will unlock the Purina Event Center to allow overnight guests to come into the building with dogs at any time. The service center is also open 24/7 for campers to seek shelter.
- Should the weather look threatening, Purina Farms Security will go around the lots to notify overnight guests to seek shelter. Security will also visit the outdoor event areas around the property to let
